6. The Company may not disconnect the service of a Lifeline Program customer for the non-payment of toll charges. Joshua, Texas

We have audited the consolidated financial statements of Alenco Communications, Inc. (a Texas corporation) for the year ended December 31, 2012, and have issued our report thereon dated April 9, 2013. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, *Government Auditing Standards*, issued by the Comptroller General of the United States, and 7 CFR Part 1773, Policy on Audits of Rural Utilities Service (RUS) Borrowers. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

In planning and performing our audit of the consolidated financial statements of Alenco Communications, Inc. for the year ended December 31, 2012, we considered its internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing an opinion on the consolidated financial statements and not to provide assurance on the internal control over financial reporting.

Section 1773.33 requires comments on specific aspects of the internal control over financial reporting, compliance with specific RUS loan and security instrument provisions, and other additional matters. We have grouped our comments accordingly. In addition to obtaining reasonable assurance about whether the financial statements are free from material misstatements, at your request, we performed tests of specific aspects of the internal control over financial reporting, of compliance with specific RUS loan and security instrument provisions, and of additional matters. The specific aspects of the internal control over financial reporting, compliance with specific RUS loan and security instruments provisions, and additional matters tested include, among other things, the accounting procedures and records, materials control, compliance with specific RUS loan and security instrument provisions set forth in §1773.33(e)(2), and related party transactions and investments. In addition, our audit of the financial statements also included the procedures specified in §1773.38 through §1773.45. Our objective was not to provide an opinion on these specific aspects of internal control over financial reporting, compliance with specific RUS loan and security instrument provisions, or additional matters, and accordingly, we express no opinion thereon.
